NATE BAKER

WORK EXPERIENCE

BUSINESS ANALYST
Chess.com / Oct 2021 - Present
Nate is a business analyst for Chess.com, working on the ChessKid team. We provide a safe place for kids to play chess online.

FOUNDER, LEAD REPORTING SPECIALIST
Mechanical Loom / Oct 2019 - Oct 2021
Nate helped marketing agencies optimize or move their reporting to Google's reporting suite, Data Studio.

SOFTWARE ENGINEER
TapClicks / Jan 2018 - Oct 2019
TapClicks is an online marketing platform used by thousands across the globe. He build features modularly in PHP and JavaScript and tracked down bugs.

SOFTWARE DEVELOPER
LunarLincoln / April 2017 - November 2017
Nate shipped native mobile apps and wrote features in Swift, Objective-C, and Java. He also contributed to projects in JavaScript.

CONTENT MARKETING SPECIALIST
Raven Tools / Feb 2011 - July 2016
Nate did everything from customer support, social media marketing, affiliate marketing, content marketing, speaking, writing about SEO, and creating websites.

Highlights at Mechanical Loom

- Created data visualizations featured in Google's Data Studio Gallery
- Created infographics explaining complex ideas
- Daily work with Google Data Studio

Highlight at Raven Tools

Analyzed over 4 billion SEO (search engine optimization) issues tracked by Raven's SEO Auditor tool. Using this analysis, he wrote a study, visualized the data, and created a website. This was used as a lead magnet.

EDUCATION

DATA STUDIO TRAINING CERTIFICATION
*Google / 2020*

WEB DEVELOPER BOOTCAMP
Nashville Software School / 2016 - 2017
Nate's 6-month, full-time bootcamp focused on full stack development in Python and JavaScript. Among other things he created APIs and worked with SQL and D3.js.

BACHELOR'S DEGREE IN JOURNALISM
Belmont University / 2004 - 2008

" *He understand complex theories and delivers simple and concise solutions. He is a great team player and will make a great contribution to any team.* "

JON ZUMBRUN
Lead Engineer at
Built Technologies

FEATURED PROJECT

TABLETOP TRACKER
This Web app crawls 14,000 board game rankings each day and produces charts showing ranking changes.
